FOREWORD

Micro Small and Medium Enterprises Development Institute, Cuttack , a field office of Micro Small and Medium Enterprises Development Organisation, Ministry of Micro, Small and Medium Enterprises, Government of India, plays an important role for the promotion and development of micro, small and medium enterprises in the state of Odisha. This Institute provides techno-economic and managerial services in the field of economics, statistics, glass & ceramics, mechanical, electrical & electronics, chemical & food, leather & footwear to the micro, small and medium enterprises to improve their productivity and quality of product, promoting marketing and export including training facilities to the educated unemployed youths & in guiding them in setting up of new enterprises.

Every year this Institute conducts different programmes in dispersed locations in the state to fulfill the need of prospective entrepreneurs to enable them to set up enterprises and also to keep the existing units functioning in an effective manner. Micro and Small scale units are small in terms of investment, production but play vital role in country's economy by providing large-scale employment. The MSME sector contributes a significant percentage of industrial production as well as in earning foreign exchange for the country by exporting various products manufactured in this sector.

Keeping in mind the overall growth of this vital sector of the economy, this Institute conducted various programmes starting from motivating the educated unemployed youths to providing the training and handholding support to become self-employed by starting some enterprise, and in providing support to the existing units to continue to function in an up to date manner. This Institute has tried its level best to cover the nook and corner of the state by conducting different programmes for the educated unemployed youths with special emphasis to cover more number of beneficiaries from weaker sections. In this connection, this Institute has organized 49 One Day Industrial Motivational Campaigns(IMCs), 24 Entrepreneurship Development Programmes(EDPs), 90 Entrepreneurship-cum-Skill Development Programmes(ESDPs) and 12 Management Development Programmes(MDPs) under Action Plan and Special Programmes on packaging for exports(1No), One day awareness programme on QMS/QTT 2Nos, One day awareness programme on EET 2Nos., One day awareness programme on Product certification 2nos., One day Seminar on Bar-Code(15 Nos.) under NMCP Schemes etc for the benefit of existing and prospective entrepreneurs of the state.

There is a growing importance of this sector as it works as ancillary to various large industries by fulfilling the requirement and also to economise the product cost. Keeping this in mind, this Institute has also organized two National Level Vendor Development Programme-cum-Industrial Exhibition at Cuttack and Balasore and 16 State Level Vendor Development Programmes including Business to Business (B2B) Meets and One-to-One Interaction Meets at different locations for the benefit of the MSME sector in the state.

This Institute has also prepared technical reports to disseminate information among the MSME entrepreneurs to get acquainted with the latest technology available and suitable for controlling waste and conserving energy. This Institute has undertaken District Industrial Potentiality Survey Profiles of six districts of the state by incorporating therein relevant information which would enable the entrepreneurs to select a product for setting up of such industries in the state. Common Facility Centres have been functioning to render value based services to the MSME entrepreneurs either in job work or in providing technical assistance and product development work. This Institute has also worked for rehabilitation of sick MSME units. In the present context of more emphasis on development of industries through cluster approach work, this Institute co-ordinated the development and progress of the Automobile Cluster at Bhubaneswar and the Rice Mill Cluster of Balasore.

This Institute has undertaken concerted efforts for promotion of flagship schemes including NMCP schemes such as Bar Code, ISO 9000, TEQUP, Marketing Assistance & Technology Upgradation (MATU), Business Incubator, QMS/QTT etc. In this regard, various awareness programmes have been organized for scheme promotion at different locations of the state for the benefit of MSME sector. This institute has also undertaken serious follow up with Technical institutes of the State to have the information pertaining to availability of Machineries with them so that cluster based skill training can be organized.

This Institute with a team of dedicated manpower is working with commitment and providing time bound and continually improving techno-economic managerial services and training facilities as a policy decision of Development Commissioner (MSME), Ministry of MSME, Government of India, New Delhi to enhance the satisfaction of existing and prospective entrepreneurs with an objective to accelerate the promotion and development of MSME sector to compete globally and to ensure self-employment in this state. The significant features of this Institute is that a large number of prospective and existing entrepreneurs have shown their keen interest for the reports as well as project profiles (updated and new) prepared by the officers of this Institute.

I am pleased to record my appreciation for Sh. Sachidananda Dash, Asst. Director (E.I) of this Institute for his concerted effort to bring out this Annual Report 2014-15 incorporating various activities and functions of this Institute on different aspects in a systematic way. I am sure, entrepreneurs, professionals attached to promotional agencies, financial and other training Institutes would certainly get the desired information from this report.

ACTION PLAN ACTIVITIES OF MSMEDI, CUTTACK DURING THE YEAR 2013- 14 DETAILED REPORT

Odisha State Industrial Profile

Odisha State Industrial Profile was prepared/ updated once in a year up to 2003-04. As per the guidelines of O/o DC (MSME), New Delhi this report is being prepared/updated in every alternative year from 2005-2006. The current issue of Odisha State Industrial Profile has been updated under Action Plan 2013-14. The next issue will be brought out during 2015-16 for the benefit of the MSME entrepreneurs. The report works like a manual to the entrepreneurs, promotional agencies, financial institutions including banks, academic institutions and researchers as a stock of information/data on various aspects like availability of natural resources, raw materials, human resources, financial assistance, technical services including infrastructure facilities and scope of setting up new industries, role of promotional agencies and incentives given and schemes operated, growth of MSMEs, its pattern and other relevant information of the state are systematically incorporated in the report. The broad objective of preparation of this report is

- i) To analyze the availability of human and material resources in the state
- ii) To assess the infrastructural facilities available to plan for industrial development
- iii) To evaluate the progress of industrialization achieved so far in the state depending upon the available resources and infrastructure.
- iv) To explore the scope of setting up of units in the MSME Sector.
- v) Role of promotional agencies and Financial Institutions in promoting MSMEs.
- vi) Schemes and incentives given for promotion and development of MSMEs.

District Industrial Potentiality Survey Profiles

During the year 2012-13 as per the instructions issued by O/o DC(MSME), New Delhi, this Institute has prepared Brief District Industrial Potentiality Survey Profiles of all the thirty districts of the state with a focus on the following aspects viz; physical and geographical features, availability of natural, human resources and the present status of industrial development as well as availability of infrastructural facilities for further industrial development in the district & scope of new industries. In the year 2014-15 as previously prepared, District Industrial Potentiality Survey Report of 06 districts has been prepared and this report has been undertaken with the following objectives.

- To explore the natural and human resources and skill.
- To assess the available infrastructure for industrial development.

- To evaluate the existing industrial activities of the district, utilizing the resources and also catering to the local demand.
- To identify some of the viable projects in MSME sector which can come up in the district in the ensuing years based upon the locally available surplus resources and the demand factor.

The Table below reflects the districts covered for potential survey during last five years.

Entrepreneurship Development Programme (EDPs)

Micro, Small and Medium Enterprises Development Institute, Cuttack along with its branches at Rayagada & Rourkela have conducted 39 Entrepreneurship Development Programmes (EDPs) for the benefit of the educated unemployed youths. These programmes were spread out in both urban and rural areas including the backward and KBK region of the state to extend the benefit to the educated unemployed youth for self-employment. Besides, this Institute has conducted some Specialized EDPs for women and other weaker sections of the Society.

The objectives of conducting such EDPs are to promote entrepreneurship among various target group of society by imparting practical training & demonstration to develop skill, management ability as well as to get acquainted with the latest information on the item and procedures related to setting up of MSME units to enable them to become self-employed and create employment opportunities for others.

Entrepreneurship Development Programmes(EDPs) for Weaker Sections

24 EDPs were conducted out of which 17 EDPs were specially designed for the weaker sections and women and the remaining seven were organized for the General youths. In these EDPs, the procedure for setting up of enterprises were taught in detail to the trainees by the experts drawn from different promotional agencies, bankers etc. of the state. An amount of Rs.16,450 /- was collected as course fees from the participants.

Co-ordination with DICs

MSME Development Institute, Cuttack and its branches at Rayagada and Rourkela have been endeavouring for balanced industrial development in an industrially backward state like Odisha. There are 31 DICs at present in the state and officers of this Institute as well as Branch MSMEDIs have been assigned to different DICs for attending Task Force Meetings, District PMEGP Committee meetings, DLC meetings, organizing different programmes and extending other services to existing as well as prospective units through DICs in the district. Besides, this Institute as well as Branch MSMEDIs are having regular correspondence with DICs for exchange of information. This year 1730 nos. of letters have been issued to DICs/RICS/DI/MSME Dept. on policy and other matters in comparison to last years 2251. Also, Officers of this Institute have visited almost all DICs/RICS/DI in the State for collection of information for preparation of Frame Register on IIP-MSME. 78 nos. of cases of Joint Capacity Assessment has been conducted in co-ordination with DICs. Also the Deputy Director I/c has attended Monthly video conferencing under the Chairmanship of Secretary, MSME, Govt. of Odisha where there is video interaction with all 31 GM DICs. D.D I/c of this Institute had also attended the Annual Conference of G.Ms of DICs/RICs .

Ancillary Development Activities/Organization of National Level Vendor Development Programme-cum-Industrial Exhibition and Marketing Support

In the State of Odisha there are good number of public sector undertakings and medium & large scale industries functioning which has created the scope for the promotion of Ancillary and down stream Industries in the state. So these industries need regular attention for their survival by fulfilling the requirement of mother plants. In an endeavour to promote ancillarisation this Institute had organized some programmes and extended collaboration/co-operation dispatched by others, rendered consultancy and assistance to ancillary units for Quality improvement and diversification.

This Institute also provided marketing support to assist the SMEs for registration with PSUs/Defence/Railways as vendors. The briefs of the ancillary development activities of this Institute during 2014-15 are as follows-

BRIEF OF THE NATIONAL LEVEL VENDOR DEVELOPMENT PROGRAMME-CUM INDUSTRIAL EXHIBITION ENTITLED AS MSME EXPO-ODISHA-2014 HELD AT UPPER BALIYATRA GROUND, KILLA MAIDAN, CUTTACK FROM 11TH TO 14TH DECEMBER, 2014

MSME Development Institute, Government of India, Ministry of MSME, Cuttack has organized a **Four-day long National Level Vendor Development Programme–cum-Industrial Exhibition entitled as “MSME EXPO ODISHA-2014” at Upper Baliyatra Ground, Killa Maidan, Cuttack from 11th to 14th December, 2014** jointly with MSME Department, Government of Odisha, Bhubaneswar, Central Tool Room and Training Center, Bhubaneswar, Odisha Industries Association, Industrial Estate, Jagatpur, Cuttack and with the support of all Industry Associations of the state, Large scale units, PSUs and promotional agencies. The main objective of the programme is to create a common platform for PSUs, Mother Plants, vis-a-vis MSMEs to understand each other needs and entering into a long term business tie up which will help in fulfilling the regional aspirations for development of industries and also give an opportunity to the local MSE entrepreneurs to supply their stores to large-scale industries. The large industries through this programme will get ample opportunity to get their assured supplier with appropriate specification and quality to meet their requirement for procuring their items at a competitive price. Banks & Financial Institutions and other Service providers are also actively participating in this mega event to help the MSEs and Mother Plants in suitable matchmaking.

Mother Plants like NALCO, MCL, NTPC, PPT, Paradip Refinery Project (IOCL), Ordnance Factory, ODCL, East Coast Railways, Tata Steel,IFFCO, NINL and BSNL, etc. have actively participated in the programme. Promotional agencies and financial institutions like SIDBI, IDBI, SBI, Indian Bank, Allahabad Bank, Indian Overseas Bank,U.Co. Bank NPC, KVIC, Coir Board, APITCO have also participated in the programme besides 125 MSMEs coming from different parts of the country.

The four-day long programme was inaugurated by **Sri Jogendra Behera. Hon'ble Minister, Micro, Small and Medium Enterprises, Public Grievances and Pension Administration, Government of Odisha as Chief Guest on 11th December, 2014 at 5.30 PM at Baliyatra Upper Ground, Killa Maidan, Cuttack** by lighting the ceremonial lamp. In his inaugural address he told that the heritage of Bali Yatra Ground is well known to everybody for its past trading by the Sadhaba Sons of Odisha to Bali, Sumatra and, Java. He appealed all the PSUs, Promotional agencies, banks and financial institutions, Govt. Officials, to create a hassle free atmosphere for the young entrepreneurs, so that more and more MSMEs could set up in the state as a result of which the growth of our state would also improve. The bank should identify the sick units at the inception stage and find out the reason of its sickness and if necessary, funds may be pumped up immediately so that the unit can survive sustainably. He also advised East Coast

Railway should display their requirements in the headquarter office located at Bhubaneswar as per NALCO model so that more and more units get a scope to produce such kind of things to provide East Coast Railway at a less price in a short time since the procurement of Railway from the State of Odisha is very poor. He also directed Director of Industries, Govt. of Odisha to identify the entrepreneurs who are manufacturing some types of Railway products like sleeper, consumable items and meeting to that effect may be organized to sort out the problems.

Sri Panchanan Dash, ISS, Secretary, MSME Department, Government of Odisha in his presidential address told that entrepreneurs are not developing the society but also developing the human resources. His govt. has adopted online EM-I & EM-II which is now a model for other states in the country. As per the recommendation of the T.K. Nair Committees, sickness at incipient stage should be identified by the Bank and take corrective action. Recently, Govt. of Odisha has introduced Odisha Export Policy for promotion of the MSMEs of the State. The performance of CGTMSE Scheme in the state of Odisha is not encouraging for which we are going to organize a International Vendor Development Programme at Bhubaneswar and requested the head of the CGTMSE to attend the programme so that more and more entrepreneurs should avail the facilities in Odisha.

Sri K. Krishna Murthy, IRSS, Controller of Stores, East Coast Railway in his opening address told that East Coast Railway has procured around 20% of its requirement from the MSEs of the country but the share of Odisha is negligible. In view of the above, he requested all the entrepreneurs to visit their stall and see the equipments required by the and try to produce the same locally so that we can get our requirements in a low cost and in a short time.

Sri N. Palai, IAS, Director of Industries, Government of Odisha, Cuttack in his address told that both the Central and State Govt. has launched many schemes for the development of MSMEs of the state. I appeal all the entrepreneurs to avail facilities.

Sri Abani Kanungo, President, Orissa Industries Association, Jagatpur in his key note address told that MSME sector plays a key role in generation of employment with low investment. Procurement made by the PSUs from the MSEs is very poor. Banks are not cooperating for financing the MSEs. There is no testing facility to test a product in Odisha. The rate of interest charged by the bank is much more in comparison to other countries. He also requested Hon'ble Minister to revive OSFC so that MSMEs could go ahead.

At the outset, **Sri P.K. Gupta, Director Incharge, MSMEI, Cuttack** welcomed the dignitaries, participants, MSMES, Promotional agencies, financial institution, mother plants, and guest including press and electronic media, and briefed about the aim and objectives of the 4-days long event. He also told that Seminar on Credit, Food Processing Policy and B-2-B Meet would be organized in the ensuing three days for the benefit of Mother Plant, Promotional agencies and MSEs of the state.

At the end **Sri C.P. Reddy, Asst. Director (G&C)** and Coordinator of the mega event proposed vote of thanks.

VALEDICTORY FUNCTION:

The **Closing Ceremony of the Mega event** was held on **14th December, 2014 at Upper Baliyatra Ground, Killa Maidan, Cuttack at 5.30 PM.**

Mother Plants like NALCO, MCL, NTPC, PPT, Paradip Refinery Project (IOCL), Ordnance Factory, ODCL, East Coast Railways, Tata Steel, IFFCO, NINL and BSNL, etc. were actively participated in the programme. Promotional agencies and financial institutions like SIDBI, IDBI, SBI, Indian Bank, Allahabad Bank, Indian Overseas Bank, U.Co. Bank NPC, KVIC, Coir Board, APITCO were also participated in the programme besides 90 MSMEs coming from different parts of the country.

Sri Debi Prasad Mishra, Hon'ble Minister of Industries, School & Mass Education, Government of Odisha attended the **Closing Ceremony** as **Chief Guest** and told that Industries Department 'is responsible for promotion of all-round industrial development of the State and generates employment opportunities and become instrumental in the economic development of the State. Manufacturing continue to be an important facet of industries and plays a critical role in the economic development in Odisha through value addition to the natural resources and the position of the state on all India level is second. The Indian market has a huge growth potential in terms of steel consumption. As per the National steel policy, 2005, the growth in steel sectors has been anticipated to reach 100 million tonnes by 2019-20 from a level of 38 million tonnes in 2004-05. He advised the entrepreneurs to set up new ancillary units as Paradip Refinery Project has been started. He advised all the Industries Associations of the state to place their problems/ proposal to his department and he will convene a meeting of all the stake holders to mitigate the problems during the ensuing industrial policy schedule to be published during the month March, 2015. Government of Odisha is going to set up an Aluminium Park in association with NALCO in near future. He also appealed to all the PSUs of the state to enhance their public procurement from MSEs of the state from 20% to 25%. He advised the entrepreneurs and MCL for setting up of Chemical Down stream industries and all the PSUs should show case their products, specification etc. for encouraging morale of boost of both the existing and prospective entrepreneurs.

Sri Sarat Chandra Naik, OAS(SAG), Special Secretary, Industries Department Government of Odisha presided over the function and in his presidential address told that the Indian market has a huge growth potential in terms of steel consumption. The Government of India is actively encouraging steel consumption so that the steel industry acts as the locomotive for the overall economic growth of the country. In addition, the country's rich mineral resources and availability of skilled labor makes it an attractive destination for investment. On the other hand, Odisha will be able to derive huge benefits in terms of employment generation, revenues and FDI

inflow. Apart from mega projects there is ample avenue for growth of existing sponge iron plants & setting up of smaller ancillary industries in the state.

Sri A.K. Tiwari, Director Technial (Operation) MCL, Sambalpur attended the programme as **Guest of Honour** and told that MCL had planned to achieve 120.00 million tonne of coal during the financial year 2014-15. The capital outlay estimated for the year 2014-15 is 600.00 crore, major share of which will be utilized for land acquisition, development of infrastructure and procurement of Heavy Earth Moving Machineries (HEMM) .The status of two R&D initiatives undertaken are as under (i) Installation of Solar PV project for sustainable development at MCL HQ: (ii) Study of acidity of water at Bharatpur OCP and its treatment for Industrial/domestic use. Our organization wants to enhance the public procurement policy from 20% to 25% in the coming years.

Ms. Soma Mondal, Director (Commercial), NALCO attended the programme as **Guest of Honour** and in her address told that huge mineral resources of the state, 480 km long coastal stretch, the liberalised economic policy of Govt. of India, Industrial Policy 2007 and availability of infrastructural support makes the state an investor's paradise. The situation is now changing rapidly due to greater transparency in procedures to be seen across government departments. A number of departments have initiated e-governance initiatives, which decrease public interface with officials by enabling registration, filing, payments, and registering complaints through the Internet. We should take into accounts all the problems faced by the MSE entrepreneurs and findout its solution in a bigger way so that more and more MSEs would groom up in the state as all the ingredients required for setting up of a units is available in the state of Odisha.

Sri Abani Kanungo, President, Odisha Industries Association, told in his address that the problems faced by the entrepreneurs of the state with regard to high rate of VAT, Excise duty, Venture capital fund, Non- availability of Scare raw material, lack of advise from society for setting up of units, lack of respect by the society to a new entreprneur etc. He suggested to revive OSFC for finance and OSIC for scarce raw material. Scale down the VAT rate from 5 % to 4%. Units may be allowed floating of public share after completion of three years. He also told his entrepreneurs friends to join hand with each other and putforth our grievances to the Hon'ble Minister of Industry, so that they could take effective steps to solve the burning problems in the ensuing Industrial Policy.

The four-day long programme was inaugurated by **Sri Jogendra Behera. Hon'ble Minister, Micro, Small and Medium Enterprises, Public Grievances and Pension Administration, Government of Odisha** as **Chief Guest** on *11th December, 2014* .

At the outset **Sri P.K. Gupta, Director Incharge, MSMEDI**, Cuttack welcomed the Dignitaries in the Dias, Office bearer of PSUs, MSMEs, Promotional Agencies, Banks, entrepreneurs, Government officials, Press Media and told that during the four day long

programme Seminar on **(i) Credit Flow to MSME Sector in Odisha (2) Prospect of Food Processing Industries In Odisha and (3) Lean Manufacturing Competitive Scheme** were held during 12th, 13th and 14th December, 2014. **B-2-B Meetings** were organized on 12th and 13th December, 2014. **110 intensive Buyer-seller** interactions were held during the event. Mother Plants displayed their items to be outsourced by them and MSEs displayed their range of products in order to facilitate a perfect match making exercise. The event certainly created an opportunity for the Mother Plants to assess the strength and capability of MSEs and facilitate them to locate appropriate vendors for their outsourcing requirement.

Sri G.G. Sen, Secretary (Organisation), Odisha Industries Association, proposed vote of thanks.

National Awards to MSMEs – 2013 :

This institute received 17 applications (including 1 woman enterprise) from MSMEs in the State for the National Award 2012 for *Outstanding Efforts in Entrepreneurship* category. Out of which the State Level Selection Committee (SLSC) recommended 5 Small and 2 Medium Enterprises in the Manufacturing sector and 2 Micro Enterprises in the Service sector to the National Level Selection Committee (NLSC).

Submission of Monthly Progress Report

As a part of the Action Plan activities, this office is entrusted with the task of sending the MPRs to O/o DC (MSME), New Delhi by stipulated date every month. During the year 2014-15, this Institute has dispatched all the MPRs (12 nos.) within the stipulated date for information of the Headquarters office.

Status Report

This office has been assigned by O/o DC (MSME), New Delhi to prepare one status report on leather & footwear Industries in Odisha .This report gives the detailed picture on the functioning of the particular industry in the state.

Assistance to weaker Section of the Society through different programmes

As per the policy decision of the Government of India for the upliftment of the weaker section of the society, this Institute has paid adequate attention in encouraging them to undertake activities in the small scale sector through different training and other programmes organized

during the year 2014-15. The weaker section comprises women, scheduled caste, scheduled tribe, physically handicapped members and Minority Communities. The training programmes were organized with the objective to provide them techno-economic and managerial inputs besides practical training to develop the skills in setting up of their ventures.

A total no. of 2,622 candidates were trained in EDPs, ESDPs, MDPs & Skill Development Courses out of which 928 women, 898 SC, 619 ST, 2 PH and 5 were Minorities. Besides, the officers of this Institute rendered technical assistance to existing and prospective entrepreneurs at their unit premises and at this office.

Table- 21

Assistance to Weaker section of the society through different programmes during 2014-15

Sl. No.	Name of the programme	Candidates Assisted/Trained						Total
		SC	ST	PH	Women	Minority	General	
1.	EDP (21)	107	110	-	170	1	228	446
2.	ESDP(90)	683	444	1	616	3	768	1899
3.	MDP (12)	105	61	1	142	1	82	250
4.	SDP	3	4	-	-	-	20	27
Total		898	619	2	928	5	1,098	2,622

It may be mentioned here that in an Industrial backward state like Odisha, there is a good and encouraging response to different programmes conducted by this Institute in general. The weaker sections of the society are coming forward in these activities. This Institute is trying its level best to accommodate more candidates from weaker section as per the criteria fixed by the Government. Officers of this Institute attended different Task Force Meetings of DICs in connection with PMEGP schemes and given emphasis for the preference of weaker section of the society for getting benefits under the scheme.

MSMEDO Officers Training

During the year 2014-15, the officers of this Institute & Br.MSMEDIs attended various trainings at different places in the country. The same is reflected in the table below.

CHAPTER – IV

REVIVAL OF SICK MSME UNITS

Revival of Sick MSME Units

The MSME units are facing a rough weather in the state due to growing sickness in the sector. There are many inter related factors both externally and internally making the units sick. From January 1981, the Govt. of Odisha formulated the policy to grant assistance to sick small-scale units as an important part of the Industrial Policy. Through various IPRs (selected), including IPR – 2007, Government of Odisha has also taken note of extending revival assistance to sick MSME units. These are known as IPR benefits to sick MSME units like sales tax exemption both on purchase of raw materials & sale of finished goods, octroi exemption, exemption of electricity duty & other statutory duties like state investment subsidy, soft loan, sales tax loan etc. The financial institutions are also making some sacrifice by relaxing outstanding dues, waiving interest etc. From the central government side assistance like MMA, NEF, SLA through the state Govt. are also given. The workshop of this office located at Khapuria have been extending the service to many units in the process of their revival by doing job work, developing products.

Role of MSME Development Institute, Cuttack in Revival of Sick MSME Units

At present there is a three-tier system to discuss and finalise the cases for revitalization of sick MSME units. These are as follows:

- i) District Level Committee (DLC)**
- ii) Sub-committee of the State Level Inter Institutional Committee (Sub-SLIIC)**
- iii) The State-Level Inter Institutional Committee (SLIIC)**

The District Level Committee has been entrusted with the task of receiving applications from the MSME units claiming to have gone sick. It examines the cases on a prima facie basis after undertaking quick studies at grass root level and recommends to the Sub-Committee of SLIIC for revival. The DLC is constituted under the Chairmanship of GM, DIC and other members of the committee are Branch Manager, OSFC – Branch Manager of concerned bank and representative from other organizations.

At the Sub-Committee of SLIIC Level the MSME Development Institute, Cuttack is the member convener of the sub-committee. The sub-committee of the SLIIC constitutes the core committee of the system and has been entrusted with the vital function of examining the cases

referred by the DLC with professional expertise. The sub-committee is constituted with the membership of the Managing Director, OSIC, Director, EPM, Deputy Chief Officer, RPCD of Reserve Bank of India and the representatives of financing banks under the Chairmanship of Director of Industries, Government of Odisha and Director, MSME Development Institute, Cuttack as Member-convener. MSME Development Institute, Cuttack receives the applications and the report after duly scrutinized by the District Level Committee, undertakes appraisals for determining the suitability of the cases as per norms, co-ordinates the action of the members for further appraisal and devising package of assistance for the revival of the units as per norms. The MSME Development Institute, Cuttack prepares Desk Study Report on each of the eligible cases embodying the quintessence of information and decisions in respect of the unit and pilot the deliberations for each case and recommends to the State Level Inter Institutional Committee for approval for giving various assistances for revival.

The State Level Inter Institutional Committee (SLIIC) is the apex body to deal with matters of sickness and flow of credit to MSME sector and related matters. The sick unit cases recommended by the Sub-Committee are finally approved by SLIIC and it also formulate/changes policies with regard to the revival of sick MSMEs. Secretary InCharge of Industries, Government of Odisha is the Chairman of the Committee and RBI State Office is the convener.

As a member of the committee and member convener of the Sub-committee, the MSME Development Institute, Cuttack feeds information while decisions are taken in respect of cases as well as participate in the deliberations in taking decision by the Committee.

The 83rd Sub-Committee on State Level Inter Institutional Committee meeting held on 20.05.2014, wherein cases of the three sick units viz. 1) M/s Esen Modern Rice Mill(P) Ltd., Jaleswar, Dist: Baleswar: 2) M/s Jayalita Feeds, At-Padhiarpur, PO-L.N.Road, PS-Jaleswar, Dist-Baleswar 3) M/s Bharat Chandra Food Products (P) Ltd., At-Gabarghat, Laxmannath Road, Jaleswar, Dist: Baleswar 4) M/s Siddhi Vinayak castings(P) Ltd., Rourkela were discussed and forwarded for further action to the SLIIC.
